SIX MONTHS FOR EMBEZZLEMENT

Facing a charge of embezzlement,
Samuel Smith, a well-known young
man, was arraigned at Judge Monsar-
rat's court this morning and, follow-
ing a hearing of his case, was sen-
tenced to six months' imprisonment.
Smith is alleged to have appropri-
ated funds to the amount of about
one hundred dollars, said to have
been collected from patrons and deb-
tors of a local bakery.

It was first supposed that the man
had decamped for the Coast in a re-
cent departing steamer, Chief Mc-
Duffie, in making a tour of the army
posts, discovered Smith at Schofield
Barracks, and he was placed under
arrest.

LONG DEBATE

(Continued from Page 5)

For the rest the platform was
adopted about as it had come from
the committee and summarized in
yesterday's Star-Bulletin. It now
stands as follows:

We affirm our faith in the Repub-
lican party and its principles.

We ratify the platform adopted by
the Territory convention and pledge
our candidates to the fulfillment
thereof.

Republican Responsibilities.

The rapid growth of this munici-
pality will soon be further augmented
by the opening of the Panama Canal
and the making of Honolulu, in fact,
a world port. It behooves Honolulu
to be ready. The duty of preparation
for this falls to the Republican party.

We pledge active co-operation in
all work for a greater Honolulu, mak-
ing our capital a superlative city with
the best roads, with sidewalks and
with modern parks and numerous
places of free recreation.

Opening of Streets.
We favor the immediate opening of
streets through the areas of densest
population.

Sewer and Water Works.
We believe that the best interests
of Honolulu demand that the sewer
and waterworks should be owned and
controlled by the municipality.

Storm Waters.
We favor such public works as will
adequately handle the storm waters
which now not only damage the roads,
but menace the health of the people
by the creation of swamps.

Free Garbage, Free Sewerage.
We pledge ourselves to provide a
system of free garbage and favor free
sewerage for Honolulu.

Treatment of Prisoners.
We declare for a system whereby
there may be provision to pay prison-
ers used on territorial or municipal
work, such pay to be placed at the
disposal of the families of those prison-
ers who have families, otherwise to be
paid, at the expiration of the term

of imprisonment to the released man
upon conditions made by the Boards
of Prison Inspectors.

Receiving Hospital.
We demand that a receiving hospi-
tal be established in connection with
the police and health departments of
the city.

National Guard.
We pledge liberal support to the
National Guard of Hawaii, ample pay
for the enlisted men and sufficient
funds to provide an armory in Hono-
lulu that will meet present and future
needs of the Guard.

We pledge support for proper main-
tenance of the Hawaiian band in the
capital city.

Promotion Committee.
We favor additional support for the
Hawaii Promotion Committee in en-
dorsement of its successful work and
as the means of attracting a contin-
ued and larger flow of visitors and
settlers to our favored land.

Civil Service.
We favor placing the employees of
the police and fire departments under
civil service rule.

Tenure of Office.
We recommend that the charter of
the City and County of Honolulu be
amended so that supervisors shall
serve in classes, similar to the man-
ner of service of senators of the legis-
lature of the Territory, and further
that municipal elections shall be held
at a date other than that set for the
legislative and Congressional elec-
tions.

Citizens to Use School Houses.
We believe that the fullest freedom
should be given communities in the
use of public school buildings, during
the hours such structures are not in
use for strictly educational purposes.

Apportionment.
We demand an apportionment of
Representatives and Senators on the
basis of the last census according to
the provision of the Organic Act,
thereby giving this municipality its
proper representation which it does
not now have.

Pledge and Call.
We favor publicity in the affairs of
the municipality, efficiency in its
government and economy in its ad-
ministration to the end that the reve-
nues may, in their expenditure, bring
the greatest good to the greatest num-
ber.

Finally, we pledge the application
of the very best business methods to
the administration of municipal af-
fairs; to a steady advance along safe
lines in the upbuilding of a model
and modern city worthy the best ex-
pectations and the great opportuni-
ties in view to those willing to co-op-
erate for a greater Honolulu, invit-
ing all citizens of whatever political
belief to join in the work set forth
above.
